Liz F Shoalbuster 3209

Robustly built with demanding duties in mind, the Liz F is an example of the largest Shoalbuster at the time of build. Her design brief makes her a specialist in towing and pushing, dredging support, harbour construction and maintenance, buoy and anchor handling, deck and liquid transport, pollution control and many other aspects of marine operations. She will happily operate in harbours, coastal areas, inland waters, shallow waters as well as offshore.
